1 Using Bluetooth on Bose speaker

1. On Phone, go into “Settings” (a grey gear)
2. 3rd from left is **Bluetooth**. Click on **Bluetooth**.
3. Look for “Bose Revolve Sound” on the list.
4. If it is **not connected**, press and hold the Bluetooth button on Bose. It should connect.

2 Disconnecting

1. Go to **Settings**
2. Look for **Bluetooth**
3. Click on circular **i** (for information) for Bose
4. Click **disconnect**
